Sir or Ma'am:

I sincerely regret the rushed manner in which I was forced to prepare my claims. You see, I am being held in the County Jail of Brainerd Mn. (Crow wing co.) They have a policy that you can only access the Law Library for one hour a week only!! And use a computer to type 2 hrs a week.

I have no money, so I can't afford to call anyone for supplemental information to back my claim. These tactics are done deliberately so that an inmate helping himself is dis-credited or tripped up to miss deadlines.

I am submitting a motion to the Court requesting Standby Counsel or Appointment, or the opportunity to seek Legal Representation.

Any and all changes, needed or to be included are forthcoming. Once again I apologize for the haste. Please Bear with me.

Harsh Hake

PS: Please Respond to let me know about timeframes & steps needed next please.
